### Please supply artwork as PDF

When supplying school crests these must be supplied in a PDF format and not jpeg. If exact school colours must be used then please supply school approved Pantone or PMS colours. (If uncertain about any of these requirements please discuss and we will happily explain what is required).

### What happens next?

Once all your art requirements are confirmed you will be emailed a layout/art approval for you to thoroughly check and approve before going to print. At this stage any changes or alterations can be made.
